

# 2011 DRAFT KIT

## A FANTASYLAW GUIDE

*Alex B. Mitchell & Brian Rock<sup>†</sup>*

**F**antasyLaw is a web-based game that allows users (called “Team Owners”) to create a fantasy team of U.S. Senators and Representatives. They then compete against other Team Owners to determine who has drafted the *best* set of lawmakers. A League is comprised of anywhere between 5-9 Team Owners. The League gets together, holds a draft to select teams, and then competes against one another for an entire session of Congress.

### WHAT MAKES A TEAM?

Each Team has 10 Players and must fill these roster positions:

#### SAMPLE TEAM

Leader<sup>1</sup> – The Speaker or any Majority/Minority Leader/Whip  
Senator – Any Senator  
Senator – Any Senator  
Senator – Any Senator  
Representative – Any Representative  
Representative – Any Representative  
Representative – Any Representative  
Representative – Any Representative  
“Rookie” Senator – Any first-term Senator  
“Rookie” Representative – Any first-term Representative<sup>2</sup>

---

<sup>†</sup> *Alex B. Mitchell expects to graduate from the George Mason University School of Law in 2011. Brian Rock expects to do the same at the University of Virginia School of Law.*

<sup>1</sup> There are a total of nine congressional leaders. Therefore, no League can contain more than nine Team Owners. A Team may contain multiple leaders, but no Team Owner can draft a second leader until all teams have drafted at least one. For a full list of Leaders, see Drafting Resources below.

<sup>2</sup> “First-term” here means that the congressperson has only been elected once to his/her current office. Therefore, for example, a Senator in year five of his/her first six-year term

## DURATION OF THE FANTASYLAW SEASON

When the FantasyLaw Board begins a season, that season lasts until the end of the current session of Congress. Each Congress is broken down into two sessions, and each session spans roughly one year.<sup>3</sup> The 2011 FantasyLaw season will begin Monday, March 14, and will last until the first session of the 112th Congress ends – sometime during the last two weeks of December, 2011.

is still considered a "Rookie" for our purposes. For a guide on Rookies, see Drafting Resources below.

<sup>3</sup> The 111th Congress spanned almost all of 2009. The first session began January 6, 2009 and ended on December 24, 2009. The second session began January 5, 2010 and ended on December 22, 2010.

## THE SCORING

So what exactly are these categories?<sup>4</sup>

<sup>4</sup> For more details on how each category is tabulated, see *Opening Day*, 12 GREEN BAG 2D 347 (2009), available at [www.fantasylaw.org/CongRecFL/1%20Cong%20Rec%20FL%20Ed.%20no.2,%2012%20Green%20Bag%202d%20347%20\(2009\).pdf](http://www.fantasylaw.org/CongRecFL/1%20Cong%20Rec%20FL%20Ed.%20no.2,%2012%20Green%20Bag%202d%20347%20(2009).pdf).

*Press releases issued (PRI)* – Players earn points for each press release their office issues to constituents and the general public.

*Voting Attendance (VTA)* – Players earn points for each vote cast in an all Roll Call vote.

*Maverick Voting (MVV)* – Players earn points for casting a vote that is different from 95% of his/her party (thus, he/she casts a vote with the majority of the other party).

*Lone Wolf Voting (LWV)* – Players earn points for voting against 95% of Congress as a whole.

## HOW IS SCORING TABULATED?<sup>5</sup>

A FantasyLaw season is broken down weekly, beginning on a Monday and ending on the following Sunday. Week 1 will begin on Monday, March 14, 2011 and end on Sunday, March 20, 2011. Week 2 will span Monday, March 21, 2011 and end on Sunday, March 27, 2011.

Each Sunday, all of the statistics every Member of Congress has accumulated during the previous week will be tabulated and points will be assigned to each team in the league. Total points awarded are contingent upon the number of teams in a league. Let's use two leagues as examples.

Example League A has 5 teams. Example League B has 9 teams.

Because League A has 5 teams, the team amassing the most Press Releases Issued (PRI), for example, during one week, receives 5 points. The team amassing the second most PRI in that week will be awarded 4 points, and so on. Thus, the team amassing the lowest PRI in a week is given 1 point.

However, because League B has 9 teams, the team amassing the most Press Releases Issued (PRI), for example, during one week, receives 9 points. The team amassing the second most PRI in that week will be awarded 8 points, and so on. Thus, the team amassing the lowest PRI in a week is given 1 point.

## 2011 Draft Kit

Scoring is awarded in this fashion across all 13 categories, each week. Thus, in League A, during one week, if one team were to finish first place in all 13 categories, that team would score a total of 65 points (13 X 5 points) for that week. However, in League B, during one week, if one team were to finish first place in all 14 categories, that team would score a total of 117 points (13 X 9) for that week.

Every Monday morning, after statistics are tabulated and points awarded to each team day before (Sunday), updated standings for each team in a league will be posted to that team's page on FantasyLaw's website at [www.fantasylaw.org/](http://www.fantasylaw.org/). Each league will have its own unique link that is accessible from the FantasyLaw homepage.

So, for reference, League A is below.

### LEAGUE A

| Roster | Leader  | Senator  | Senator | Senator | Rep.    | Rep.    | Rep.  | Rep.  | 1 Sen  | 1 Rep |
|--------|---------|----------|---------|---------|---------|---------|-------|-------|--------|-------|
| Team 1 | Boehner | McCain   | Cardin  | Burr    | Pastor  | Ross    | Polis | Pence | Rubio  | West  |
| Team 2 | Pelosi  | Hatch    | Akaka   | Carper  | Paul    | Capps   | Price | Olver | Paul   | Yoder |
| Team 3 | Cantor  | Leahy    | Baucus  | Ensign  | Griffin | Hergert | Scott | Levin | Webb   | Long  |
| Team 4 | Hoyer   | Durbin   | Begich  | Franken | Bonner  | Issa    | Lewis | Upton | Tester | Bass  |
| Team 5 | Reid    | Sessions | Boxer   | Hagan   | Baca    | Bono    | Walsh | Walz  | Corker | Berg  |

So, Team 1's ten players will all amass Press Releases Issued (PRI) during week 1 (Monday, March 14, 2011 – Sunday, March 20, 2011). The total number of PRI from all ten of Team 1's players will be measured against the other team's total PRI for week 1, and so on, for all 13 categories.

Let's now assume the total numbers for each category come out for week 1, as follows:

| Teams | SBI | SBR | SBH | SBS | SBE | ADN | AHP | ATS | ACC | PRI | VTA | MVV | LWV |
|-------|-----|-----|-----|-----|-----|-----|-----|-----|-----|-----|-----|-----|-----|
| 1     | 6   | 2   | 7   | 4   | 2   | 65  | 45  | 7   | 2   | 12  | 90  | 8   | 7   |
| 2     | 5   | 2   | 4   | 3   | 1   | 34  | 45  | 4   | 2   | 15  | 90  | 6   | 5   |
| 3     | 4   | 2   | 2   | 3   | 1   | 38  | 56  | 6   | 2   | 45  | 89  | 5   | 4   |
| 4     | 3   | 2   | 1   | 3   | 0   | 21  | 23  | 3   | 1   | 67  | 88  | 4   | 3   |
| 5     | 3   | 2   | 0   | 2   | 0   | 14  | 25  | 2   | 1   | 87  | 85  | 3   | 2   |

As noted above, different teams placed first in different categories for this mock week 1. Also noted above, some teams tied in particular categories for the week. The points awarded to each team, based on the above statistics for week 1, are as follows:

| Teams | SBI | SBR | SBH | SBS | SBE | ADN | AHP | ATS | ACC | PRI | VTA | MVV | LWV |
|-------|-----|-----|-----|-----|-----|-----|-----|-----|-----|-----|-----|-----|-----|
| 1     | 5   | 3   | 5   | 5   | 5   | 5   | 3.5 | 5   | 4   | 1   | 4.5 | 5   | 5   |
| 2     | 4   | 3   | 4   | 3   | 3.5 | 3   | 3.5 | 3   | 4   | 2   | 4.5 | 4   | 4   |
| 3     | 3   | 3   | 3   | 3   | 3.5 | 4   | 5   | 4   | 4   | 3   | 3   | 3   | 3   |
| 4     | 1.5 | 3   | 2   | 3   | 1.5 | 2   | 1   | 2   | 1.5 | 4   | 2   | 2   | 2   |
| 5     | 1.5 | 3   | 1   | 1   | 1.5 | 1   | 2   | 1   | 1.5 | 5   | 1   | 1   | 1   |

If two or more Teams earn the same number of points in the same category, they split the number of points that would have been allocated to each of their rankings evenly. For instance, in League A, both Team 1 and Team 2 scored 90 in the VTA category, the highest in their league for that week. Because they occupy first and second place for that category that week, they split the  $5+4=9$  points typically allocated to those spots. Thus, they both earn 4.5 points in the VTA category for week 1.

Finally, we sum each Team’s points earned in each category for the week. So, after week 1, the standings in League A would be the following:

- First place – Team 1 – 56 points
- Second place – Team 2 – 45.5 points
- Third place – Team 3 – 44.5 points
- Fourth place – Team – 27.5 points
- Fifth place – Team – 21.5 points

Note that the total weekly points awarded in this five-team league are 195. This is because  $13 \text{ categories} \times 15 \text{ points per category} = 195$ . Each Monday, new points are awarded, and the standings will be updated based on the previous week’s performances.

## RULES

1. Each team in a *FantasyLaw* league shall be owned, drafted, and run by a different person.
2. No person shall have more than one team within the same league.
3. No person shall participate in more than one *FantasyLaw* league.
4. All persons shall adhere to the draft rules explained in the “Draft” section.

## 2011 Draft Kit

5. Each league shall appoint a Commissioner to run the draft and to communicate with the FantasyLaw Board. The Commissioner shall serve as the liaison between the FantasyLaw Board and the other team owners in his/her league. Any materials emailed to the Commissioner might contain directions to disperse to the rest of the team owners in that league.
6. No person within a FantasyLaw league other than the Commissioner shall attempt to contact the FantasyLaw Board unless he/she decides to submit a player add/drop request in lieu of having the League Commissioner submitting that request on his/her behalf.<sup>6</sup>
7. Any FantasyLaw owner may submit an “add/drop” request. This means that the FantasyLaw owner decides to drop any player on his/her team, (a FantasyLaw team must have a Leader on its roster at all times) and replace that player with one not currently on any other team in their FantasyLaw league. Add/drop requests are processed by using the PDF form that will be posted on the FantasyLaw homepage.
8. There is no maximum number of add/drop requests allowed per player, however, the roster requirements must always be followed (for example, a FantasyLaw owner may not drop a Senator and replace that Senator with a Representative because this would compromise that FantasyLaw owner’s team requirements).
9. In the event of a tie in points at the end of any FantasyLaw season, the team between the tie that compiled the most points in any single FantasyLaw week will be declared the league champion.
10. The FantasyLaw season begins on Monday, March 14, 2011 and

---

<sup>6</sup> FantasyLaw prides itself on a certain level of anonymity. The only communication allowed between the FantasyLaw Board and its leagues is by way of email communication with the appointed Commissioner in a particular league. The one exception to this rule is if a FantasyLaw player chooses to submit an add/drop request directly, rather than forwarding that request to his/her league Commissioner to send on his/her behalf.

will end on the Sunday following the adjournment of the first session of the 112th Congress in December, 2011.

## DRAFT

1. The League Commissioner runs the draft. The draft can be conducted over the phone or via email, but an in-person draft is fastest.
2. The League Commissioner should select the draft order at random. We recommend picking names-out-of-the-hat, or any other reasonable alternative.
3. The first round follows the draft order as determined in Step 2. The order in subsequent rounds follows a “snake draft” format, with odd-numbered rounds following the original draft order, and even-numbered rounds proceeding in reverse-draft order. For example, if there were five teams in a league, and the draft order was determined to be Team 2, Team 4, Team 5, Team 1, then Team 3, the draft would proceed as follows:

|              | 1 <sup>st</sup> Pick of Round | 2 <sup>nd</sup> Pick of Round | 3 <sup>rd</sup> Pick of Round | 4 <sup>th</sup> Pick of Round | 5 <sup>th</sup> Pick of Round |
|--------------|-------------------------------|-------------------------------|-------------------------------|-------------------------------|-------------------------------|
| Round 1      | Team 2                        | Team 4                        | Team 5                        | Team 1                        | Team 3                        |
| Round 2      | Team 3                        | Team 1                        | Team 5                        | Team 4                        | Team 2                        |
| Round 3      | Team 2                        | Team 4                        | Team 5                        | Team 1                        | Team 3                        |
| ... Round 10 | Team 3                        | Team 1                        | Team 5                        | Team 4                        | Team 2                        |

Notice that while Team 2 gets the first overall pick, Team 2’s second selection is the tenth overall pick (the last pick of Round 2).

4. Drafting continues in this format until every Team Owner has drafted a full team. (For team requirements, see *What Makes a Team?* – page 3.)
5. The League Commissioner must send the draft results for his/her respective league by Friday, March 11, 2011 at 10:00 p.m. to [FantasyLawEditor@gmail.com](mailto:FantasyLawEditor@gmail.com) in order for the league to be officially registered for the 2011 FantasyLaw season. Please have the players in your league fill out the draft cards below and submit and attach these as email attachments.

## FANTASYLAW RECAP

1. Find friends and form a league not smaller than five teams and not larger than nine teams by following the draft rules laid out in the “Draft” section.
2. To aid in drafting, team Owners may consult the list of Members of Congress, the Roster requirements, and the Rules.
3. Team owners in a league appoint a Commissioner to gather the draft results and register their league using the Registration form.
4. Once the Commissioner receives confirmation that the league is registered, all Team owners can view their team on a daily-basis, and see weekly scoring updates every Monday by accessing their league page on the FantasyLaw website, [fantasylaw.org](http://fantasylaw.org)
5. Team owners may add and drop players on their team by utilizing the add/drop request form on the FantasyLaw website, [fantasylaw.org](http://fantasylaw.org)

The FantasyLaw season begins Monday, March 14 and ends toward the end of December, 2011 (the end of the first session of the 112th Congress).
